The Respiratory Care Practitioner holds North Carolina Respiratory Care License number 4187 (the "License"), first issued on May 2, 2005, with an expiration date of May 2, 2009.

3. Waiver of Rights

I, Jantina C. McDougald, the Respiratory Care Practitioner, understand that I have each of the following rights:

(Initials)

- [ ] The right to a hearing before the Board;
- [ ] The right to present evidence to disprove all or some of the charges against me;
- [ ] The right to present evidence to limit or reduce any sanction that could be imposed for a violation;
- [ ] The right to confront and cross-examine witnesses and to challenge evidence presented by the Board against me;
- [ ] The right to present legal arguments in a brief; and
- [ ] The right to appeal from any final decision adverse to my license to practice respiratory care.
As noted by my initials above, I hereby freely and knowingly waive these rights without further process and agree to the terms of this Consent Order regarding my license. In order to resolve this matter by a Consent Order, I also agree that the Board staff and counsel may discuss this Consent Order with the Board *ex parte* whether or not the Board accepts this Order as written.

4. **Stipulation to Facts**

The Respiratory Care Practitioner and the Board stipulate to the following facts:

A. The Respiratory Care Practitioner was engaged in the practice of respiratory care in North Carolina when the events occurred that led to the initiation of this complaint.

B. The Board received a complaint from Board Staff alleging that the Licensee falsified her continuing education (CE) records. The Licensee renewed her license on April 17, 2008 and checked CE option 1 and CE option 2 (minimum of 12 hours CE and retook and passed the CRT exam). The Licensee was on the audit list and an audit notice was mailed on April 18, 2008. The Licensee returned her CE documentation to the Board on May 19, 2008 which included 3 CE hours that were taken after the April 17, 2008 renewal. There was no documentation that she had retaken and passed the CRT exam.

C. The Licensee admitted during an interview with the Board’s Investigation and Informal Settlement Committee that she had taken a 2 day CE class that she thought counted for the 12 hours required but upon audit found the hours to be insufficient. The Licensee admitted that she had taken an additional 3 CE hours after her renewal date. The Licensee also stated that she did not mean to check Option 2 and that she had not retaken the CRT exam.

5. **Stipulated Order**
