Each such written report shall document the Licensee’s performance in the delivery of Respiratory Care, and detail any concerns of the supervisor about the Licensee’s practice of Respiratory Care.
3. The RCP accepts and agrees to the assessment of a civil penalty of two hundred and fifty dollars ($250.00) pursuant to N.C. Gen. Stat. § 90-666 and 21 N.C. Admin. Code § 61.0309 and to remit this sum to the Board no later than ninety (90) days following the execution of this Consent Order.

8. Noncompliance with Consent Order

Failure by the RCP to comply with the terms of this Order, either in substance or in timing, is a violation of 21 N.C. Admin. Code § 61.0307(3). If, during the term of this Consent Order, the Board staff receives evidence that the RCP has violated any of the above conditions, the Board may schedule a show cause hearing for a determination of the violations. If the Board determines that such violations have occurred, then the Board may suspend or revoke the license, revoke any stay, and may impose additional disciplinary sanctions.

All provisions of this Order are effective upon this Order’s effective date. Fulfillment of time-specific elements intended to coincide with active practice (such as, but not limited to; probation, supervision or therapy) will only accrue during periods of active practice in which the RCP is compliant with the terms of this Order. Therefore, any period of noncompliance or inactive practice will not accrue towards fulfillment of those terms.

Should circumstances arise that affect the RCP’s ability to remain in compliance with the terms of this Consent Order, the RCP shall immediately notify the Board in writing by return receipt mail, fully describing the situation and making any attendant request for modification.
