STATE OF NORTH CAROLINA

BEFORE THE NORTH CAROLINA
RESPIRATORY CARE BOARD

IN THE MATTER OF:

William P. Ford, RCP
License Number – 912

CONSENT ORDER

1. Jurisdiction

2. Identification of Licensee

The Respiratory Care Practitioner is William P. Ford (the “Licensee”). His mailing address is 3901 Hartwell Rd. Fayetteville, NC 28304-5061. The Respiratory Care Practitioner holds North Carolina Respiratory Care License number 912 (the “License”), first issued on May 7, 2002, with an expiration date of August 31, 2015.

3. Waiver of Rights

I, William P. Ford, the Respiratory Care Practitioner, understand that I have each of the following rights:

(Initials)

WF The right to a hearing before the Board;
WF The right to present evidence to disprove all or some of the charges against me;
WF The right to present evidence to limit or reduce any sanction that could be imposed for a violation;
WF The right to confront and cross-examine witnesses and to challenge evidence presented by the Board against me;
WF The right to present legal arguments in a brief; and
WF The right to appeal from any final decision adverse to my license to practice respiratory care.
As noted by my initials above, I hereby freely and knowingly waive these rights without further process and agree to the terms of this Consent Order regarding my license. In order to resolve this matter by a Consent Order, I also agree that the Board staff and counsel may discuss this Consent Order with the Board ex parte whether or not the Board accepts this Order as written.

4. Stipulation to Facts

The Licensee and the Board stipulate to the following facts:

A. The Licensee was engaged in the practice of respiratory care in North Carolina when the events occurred that led to the initiation of this complaint.

B. The Board received a complaint on September 5, 2014 that William P. Ford’s employment had been terminated from Cape Fear Valley Health due to sexual harassment. According to the complaint, two females lodged the complaints. One was the receiver of the harassment with accusations of verbal comments and some inappropriate touching. The other was witness to the acts. The complaint states that the behavior had been going on for a period of time. A full investigation was completed by Human Resources and the Licensee was terminated from his position at the hospital.

C. The Licensee attended the Board’s Investigation and Informal Settlement Committee meeting on December 18, 2014 at which time he stated he is currently unemployed after his termination from CFVMC. He denied sexual harassment of the females involved. He stated that it was consensual behavior between him and the alleged victim. The subpoenaed documents provided to the Board indicate that he engaged in inappropriate touching and language between the two employees. He admitted that it could have been interpreted this way and he repeatedly asked the alleged victim if it was ok. He admitted that the behavior was unprofessional and he should not have engaged in the activity. He stated that his termination was reversed and he was allowed to resign.

D. During the Board’s Investigation and Informal Settlement Committee meeting on December 18, 2014, Mr. Ford provided letters of reference from five former co-workers attesting to his exceptional ability and performance as an RCP and supervisor. He also provided a written explanation of events as well as testimony that “he will never engage in this type of behavior that could be deemed inappropriate”.

E. A former co-worker testified during the Board’s Investigation and Informal Settlement Committee meeting on December 18, 2014 on his behalf stating that “Paul (William) was her mentor and he was an exceptional leader”.
