STATE OF NORTH CAROLINA
BEFORE THE NORTH CAROLINA
RESPIRATORY CARE BOARD

IN THE MATTER OF:

Donica L. Laney, RCP

License Number – 2728
Case Number – 16-845

CONSENT ORDER

I. Jurisdiction

The North Carolina Respiratory Care Board (the Board) is an occupational licensing board of the State of North Carolina, organized under The Respiratory Care Practice Act ("the Act") codified at N.C. Gen. Stat. § 90-646, et seq. The Board has jurisdiction over this matter pursuant to N.C. Gen. Stat. § 90-652 and 21 N.C. Admin. Code § 61.0307.

II. Identification of Licensee

The Respiratory Care Practitioner is Donica L. Laney (the “RCP”). Her mailing address is 310 Lynnfield Dr., Kershaw, SC 29067. The RCP held a North Carolina Respiratory Care License Number 2728 (the "License"), first issued on September 18, 2002, and expires on September 30, 2017.

III. Waiver of Rights

I, Donica L. Laney, the RCP, the Respiratory Care Practitioner, hereby confirm that I understand that I have each of the following rights, and as noted by my initials below, I hereby freely and knowingly waive each of these rights without further process and agree to the terms of this Consent Order regarding my License:

(Initials)

The right to a hearing before the Board;

The right to present evidence to disprove all or some of the charges against me;

The right to present evidence to limit or reduce any sanction that could be imposed for a violation;

The right to confront and cross-examine witnesses and to challenge evidence presented by the Board against me;

The right to present legal arguments to the Board; and

The right to appeal from any final decision adverse to my license to practice respiratory care.
IV. Stipulation to Facts

The Respiratory Care Practitioner ("RCP") and the Board stipulate to the following facts:

A. The RCP was engaged in the practice of respiratory care in North Carolina when the events occurred that led to the initiation of this complaint.
B. On November 21, 2016, the Board received a complaint that the licensee deliberately falsified records, committed forgery, altered documents, or provided false employment-related information. RCP scanned, documented, and charged a patient for a treatment which she did not administer.
C. On November 28, 2016, the Board investigator interviewed by phone the Respiratory Care Manager, Novant Health, Matthews, NC. The manager reported that a patient reported to a nurse that she was short of breath and did not get her nebulizer treatment. An investigation revealed that the medication was charted and scanned but never given. The RCP was terminated on November 18, 2016 for violating the zero tolerance policy. Manager filed the complaint on 11-21-16 for falsification of patient records.
D. On February 15, 2017, the RCP was interviewed by the Board investigator. The RCP stated that she worked the day shift from 7 AM- 7 PM and admitted that she did document a treatment on a patient and was then called to the ED, then forgot to return to do the treatment. She stated that it was not intentional but an error on her part.
E. On March 7, 2017, the RCP was interviewed by the Board’s Investigation and Informal Settlement Committee and admitted that she scanned the medications at the nursing station prior to delivering the nebulizer treatments. She stated that she was called to the ER stat after she scanned the treatments. She completed one treatment but failed to complete three of the four upon her return and she feels that there are no excuses for her actions, but struggles with time management.

V. Stipulated Order

During an Executive Session at its regular quarterly meeting on April 13, 2017 the Board considered this matter and determined to offer a Consent Order to the RCP, on the terms set out in this document.

A. Stipulation to Sections of Law Violated:

I, Donica L. Laney, the RCP, admit that my actions in failing to create and maintain respiratory care records documenting the assessment and treatment provided to each patient charting treatments is unprofessional conduct and a violation of N.C. Gen. Stat. § 90-659 (a)(1)(d) and § 90-659 (a)(4) and the rules codified at 21 N.C. Admin. Code § 61 .0307 (10) and (15).
